

Yukon Orienteering Association

Results: August 13th 2014

Location: MacPherson Map,

Meet Director: Darren Holcombe

Volunteers: Lorna Hutchinson & Darryl Bray (a big thank you!)

The event was mainly run as a Score-O but a regular Novice course was also offered. There were 4 participants in the regular course and 39 in the Score-O. There was only one Score-O map for all categories and results are shown by category and as an overall. 15 bonus points were awarded for doing the mass-start and -10 points for each minute or part thereof greater than 60 minutes.

A maximum of 445 points could be achieved in 31 controls. Forest Pearson placed 1st in the Expert Category and Overall with 370 points on 23 controls. Lee Hawkings was 2nd in Expert and Overall with 295 points on 16 controls. Forest was also the only runner in the Expert Category that did not receive a late time penalty.

Ross Burnett was 1st in the Advanced Category with 255 points, tied in points with Kerstin Burnett but ahead on elapsed time. Ross was 3rd and Kerstin 4th Overall.

The Intermediate Category was handily won by a threesome of runners led by Jean-Francois Roland and scoring a total of 145 points. A three-way tie for 2nd at 110 points was decided by elapsed time with Wendy Nixon coming out on top.

Honourable mention to the lone Novice Category group of Finn and Georgi Pearson who scored 120 points, 15th overall and would have been good enough for 2nd in Intermediate – and all this with 10 minutes to spare! Well done.
