

Yukon Orienteering Association

Results -- Yukon Long Distance Championships; August 12th, 2015

Location: Long Lake South East map ('behind the hospital')

Total # of participants: 34

Numbers were a bit low compared to earlier races in the season, no doubt due to the somewhat inclement weather and people being away on holiday. Also, a number of top Yukon orienteers are in Atlantic Canada where the Nationals start off with the Middle Distance Championships on Sunday in Hillsborough, New Brunswick.

Thanks to the volunteers – Violet van Hees, Kerstin Burnet, Afan Jones Bob Sagar and Ross Burnett.
