Ear Lake map

Results

May 4th 2016

Sixty eight people participated in the first orienteering meet of the season held at on the Miles Canyon Road just off the Alaska highway on the Ear Lake map. Participants ranged from seniors to kids in backpacks, complete beginners to elite orienteers. The weather was partly sunny but the gusty wind made it cool when standing about. Events are held every 2 weeks from May to September.

Many thanks to helpers Sarah Murray, Matthias Purdon, Lorna Hutchison, Sabine Schweiger, Bob Sagar (registration and set up/take down), Jennifer MacKeigan, and more who volunteered to pick up controls while training. The course was organized and set up by Karen McKenna and Kendra Murray.

Pia Blake and Jennifer Mackeigan held the first training session for youth aged 6-12 at 5:30 before the event. These sessions will continue every Wednesday for the next eight weeks at different locations around Whitehorse. For more info on meets and training see www.yukonorienteering.ca .
