Many thanks to the volunteers who helped at registration, with refreshments and hanging and collecting of the control flags. Couldn't have done it without you!

Two courses were offered on this beautiful sunny evening. A straightforward Novice course of 11 controls over 1.8 km attracted the family groups and the independent youngsters for a total of 22 participants. Of note was Stian Langbakk's 3<sup>rd</sup> place finish. Stian noted that the leg between 6 and 7 was a bit tricky but it appeared not to have affected his time much.

The results were as follows:

Jane Hollenberg 15:43  
Adney and Krystal Karais 18:42  
Stian Langbakk 23:34  
Iliana, Aurelia and Glenda Koh 31:56

Phineas Pearson 36:34

Maura Glenn and Elvira Knaack 47:21

The second course this evening was a variation of a Score O. Each of the twenty controls had a point value which reflected their varying degrees of difficulty and distance from the Start/Finish area. In addition there was the opportunity to collect some bonus points if participants went to different pairs of controls. Adding to the required strategy was the one hour time limit. For every minute a participant was over the hour they lost 10 points. Only two participants earned the highest possible total of 500 pts, but the younger legs of Leif Blake gave him the win over veteran Forest Pearson.
