

## Yukon Orienteering Championships – Long Distance

June 6 2018

### Mt McIntyre map

Approximately 70 orienteers participated in the championship event on the Mt McIntyre orienteering map. This was the first in a championship series comprising long, middle and sprint events. The weather was sunny and warm as orienteers navigated their way around the Mt McIntyre and Kwanlin Koyote ski trail area. There were plenty of ski and bike trails to confuse participants. Youngsters excelled on the novice and intermediate courses. The Kwanlin Koyote ski cabin is a new venue for us and provided a good base for our event.

Many thanks to all the volunteer meet organizers: Lorna Hutchinson, Glenda Koh, Ross Burnett, Caelan and Bruce McLean, Bob Sagar, Judith van Gulick and the search party for a wandering youngster (back safe and sound): Bruce McLean, Craig Books, Sabine Schweiger and Erik Blake.

Event organizer: Afan Jones
