

Yukon Orienteering Championships – Middle Distance

June 13 2018

MacPherson Map

A total of 77 people braved the cool weather, mosquitos, and threatening rain to compete on the tricky MacPherson map. It was a technically-challenging course, as expected for a middle race.

Thanks to the course planner, Ross Burnett, and the volunteers: Violet van Hees, Lorna Hutchinson, Erik Blake, Pia Blake, Beth Hawkings, Wendy Nixon, Karen McKenna, Grant Abbott, and Annie Letendre. A big shout-out to the participants who put up with the strange goings-on at the start as our NAOC start crew performed a training exercise.
