

Yukon Orienteering Association:

The first regular Wednesday Yukon Orienteering Association (YOA) meet of the season attracted almost 75 participants, on 8 May. The location was adjacent to the Whitehorse Hospital on the Long Lake SE map. The weather was a little cool and blustery but overall conditions were great. It was wonderful to see some youngsters out with their parents or trying a course on their own. Thanks to those volunteers who helped out with the organizing, especially Course Controller Afan Jones.

Fast orienteers included:

Stian Langbakk, Caroline Thibault, and Pauline Gallinat on the Novice course; Judith van Gulick, Barbar Scheck, and Glenda Koh on the Advanced course; Philippa McNeil, Erik Blake and Lara Melnik on the Advanced course; and Caelan McLean, Forest Pearson, Brent Langbakk, and Leif Blake on the Expert course.
