

Yukon Orienteering Championships – Sprint Distance

June 20 2018

Hillcrest Sprint Map

Approximately 75 orienteers participated in the last event of the Yukon Championship series, the sprint distance, held on the Hillcrest sprint orienteering map. The courses were short in length and featured a mix of urban and forest terrain. The hot weather didn't deter participants, with several runners completing two courses. In August Calgary and Vancouver orienteering clubs will host the Canadian Orienteering Championships in Whitehorse, in conjunction with the North American Orienteering Championships. Organizers for these events were in town this week preparing and joined us for our wednesday event.

The next event will be on July 4th on the Yukon College map. Please visit yukonorienteering.ca for more details about the event.

Many thanks to all the event volunteers: Bob Sagar, Brent Langbakk, Pia Blake, Leif Blake, Dave Hildes, Sara Nielsen, Katherine Scheck, Barbara Scheck, and Justine Scheck.
