

Gunnar Nilsson and Mickey Lammers Research Forest
 August 28, 2019
 Meet organizer and course planner: Bryn Knight
 Controller: Pippa McNeil

The last orienteering meet in August had an international flavour as local orienteers mixed with visitors hailing from British Columbia, the United States and Germany. The sunny skies and warm temperatures brought out 66 participants ranging from age 4 to 86.

Thanks to our cheerful and adept event crew of Emily Tredger, Julie McVicar, Sarah Murray, Martin Slama, and Afan Jones; We also really appreciated help from Darren Holcombe, Afan Jones, and Forest Pearson in updating the map to show the new trails.
