### **Macpherson Meet Results**

A total of 65 participants came out on a warm summer evening. All courses featured some very scenic views overlooking the turning and twisting Takhini River. Advanced and Expert courses had a mixture of detailed terrain interspersed with some longer legs with few features.

Thankyou to all the volunteers who helped me put on this meet. Elias Sagar helped with setup and takedown to the very end with the sun setting over the river and mountains. Virginia Sarrazin helped with setup, registration and control pickup. Craig Brooks helped with setup, takedown and registration. Afan Jones helped with parking, setup , takedown and a late control unit placement. Finally Wendy Nixon and Deb Kiemel helped with control pickup. The meet organizer was Bob Sagar.
