Course Notes

25 orienteers came out to the Riverdale Sprint Map for the final YOA event of the season and the first and only night-O of the year. The courses combined urban and open forest terrain. Courses were 1.3km (Novice), 1.8km (Intermediate), 2.0km (Advanced), and 2.8km (Expert) in length. Volunteers were treated to a showing of northern lights and the setting sliver of a moon at the end of the event to cap off the quarenteering season.
