

Hidden Lakes map: August 11-17, 2021

Organiser: Pia Blake

Controller: Erik Blake

Thanks to Sabine Schweiger for control pick-up.

This week-long event saw 45 orienteers out in the forest along the Grey Mountain Road. We had a few newcomers to the Whitehorse area as well! All courses had a slightly hillier first section, leading into a more complex and intricate second half. Hopefully everyone enjoyed the technical terrain, the gorgeous views of Hidden Lakes, and revisiting this section of lovely forest!

Junior orienteer Ian Turcotte (33:12) had the fastest time on the novice course, with Maura Glen having the second recorded time of 02:49:52. The intermediate course was a close battle between Lucy Aasman (47:20) and the group of Sara Nielsen and Svea Potvin (48:00). Esther Aasman came in third, with a time of 51:13. Way to go juniors!

Advanced and expert courses followed a similar course, with expert having an extra butterfly loop sending them into some complex topography at the outreaches of the map. On the advanced course, Jeremy Johnson (37:30) won over Philippa McNeil (43:37). Special shout-out to juniors Carl Turcotte (45:17), and Anneke Aasman (49:21) who came in 3rd and 4th respectively, and for completing an advanced course! The Expert course saw yet another close match between Afan Jones (01:02:25) and Darren Holcombe (01:05:22). Dave Hildes rounded out the top three in a time of 01:30:21.
