

Robinson Roadhouse Knock-Out Sprint

May 26, 2023

The Mt. Lorne O'fest kicked off with a unique "knock-out" sprint orienteering event. Three short sprint orienteering courses were run in the open pine forest in and around the historic Robinson Roadhouse area. Competitors raced head-to-head in four-person heats, with the results of the first race setting up the subsequent race. Competitors ranging from age 2-month to age 89 were able to enjoy the high-spirited, but blustery event.
