### **Macpherson Meet Results**

A total of 22 intrepid souls came out on a rainy cool evening. Some of the lower trails became very slick with the clay mud!

Thank you to all the volunteers who helped put on this meet. Sabine Schweiger came out early with me at 3pm on the meet day to hang controls in the rain and help set up the registration area. Judith Van Gulick helped out with registration. Dave Hildes stayed to the bitter end and helped take down the registration, start and finish. Thanks to Wendy Nixon and Grant Abbott for picking up the expert/advanced controls. The meet organizers were Bob Sagar and Virginia Sarrizin.
