

WOLF CREEK NIGHT O

SEPTEMBER 22, 2023

Organizers: Benoit Turcotte, Craig Brooks

The skies cleared and the stars came out for our final event of the 2023 season.

A timed "sprint" score O (get so many controls, depending on level, with the fastest time counting) was held in the valley/campground area due to presence of wildlife in the surrounding hills

Thanks to Afan Jones for helping take down the start and finish.
