

Forty-eight orienteers enjoyed the first orienteering event of the season. The Shipyard's Park event ran under perfect conditions: a sunny warm evening with no mosquitoes! It was perfect for spending some time afterwards socializing and comparing route choices, which many members did.

Since the controls for a Sprint race are generally easy to find, the distinguishing feature of the different courses was their length. It was great to see some of our juniors taking on longer courses on their own and succeeding! As noted below, some juniors ran on the longer courses and gave the adults some serious competition.

Congratulations to Peter Embacher for the fastest time on the Advanced course, closely followed by Philippa, Rima, and Glenda.

Long-time friendly rivals Colin, Forest, and Leif rounded out the top three positions on the Expert course, closely followed by our coach for this year, Phillippe. Junior member Carl was hot on their heels - watch out!

Thanks to Erik Blake for setting the courses, to Sabine Schweiger for wrangling equipment and setting controls, and to Leif Blake and Afan Jones for their help at registration and assisting new members. Thanks also to Finn and a friend for helping pick up controls after the event - help always much-appreciated!
