

Results Mountain Bike orienteering
May 22, 2024

The first ever mountain bike orienteering was held on May 22 at the Magnussen trailhead. The participants had to stay on trails for the event and needed to find their way through the 3 courses available.

Benoit Turcotte won the expert course, 8,9 km straight line in 58:30. He was followed by Daniel Dreiseitl in 63:35. The podium was completed by Forest Pearson in 71:37.

Carl Turcotte was first on the intermediate course in 44:11. The duo of Jennifer MacKeigan and Kyle Orvold was second in 45:37. Another duo completed the podium, Evan Wise and Rachel Moser in 58:11.

Elise Bingeman was first in the novice course in 38:55.
