

## **Ski Orienteering event on the Whitehorse Nordic Centre ski trails January 25, 2025**

At least 62 participants came out to this event, although it felt more like a hundred with some adult helpers assisting the Whitehorse Nordic squads. (Apologies for any incorrect and/or incomplete participant names below).

The mild temperatures made for fast conditions on the four courses. Courses 1 and 2 followed the main trails while course 3 and 4 passed through the more confusing Sarah Steele loops with some considerable ascent and descent routes.

Thanks to Bob Sagar for organizing, Afan Jones on registration table, Erik Blake for course design, and Leif Blake, Pia Blake and Caelan McLean for control pickup.
