

Over 40 orienteers braved strong winds by Shipyard's Park on Wednesday night to participate in the first event of the Yukon Orienteering Association's season. Despite one of the controls disappearing, everyone finished their entire courses. When word got out about this missing control, event organizer Jeremy Johnson rushed over to its location to ensure that the participants knew not to wander aimlessly looking for a flag that was no longer there. Our next event is on May 7th. There are also still open spots in our Navigation 101 and 201 courses, to register visit our website yukonorienteering.ca

Thank you to the following volunteers that helped with the event: Erik, Craig, Barbara, Afan, and Forest.
